Media Advisory:

CoreSite to Explore the Future of Digital Infrastructure at Yotta 2025 and be Recognized at the 2025 iMasons Awards Ceremony

Five Company Leaders Selected as 2025 iMasons Awards Finalists

LAS VEGAS - (September 4, 2025) - [CoreSite](#), an American Tower company (NYSE: AMT) empowering critical business and AI workloads that impact everyday life through interconnected data center solutions, will participate in [Yotta 2025](#) in Las Vegas at the MGM Grand September 8-10. The event is designed to unify the digital infrastructure industry to help solve the cross-stack challenge of sustainable, scalable growth in the age of AI.

CoreSite will also be recognized at the [iMasons Awards Ceremony](#)—taking place live at Yotta 2025—where five of its leaders will be honored for their work delivering measurable, lasting impact across the digital infrastructure industry. Among the finalists for the iMasons 2025 IM100 award are Juan Font, President and CEO of CoreSite, and SVP of American Tower; Anthony Hatzenbuehler, SVP of Operations at CoreSite; Chris Malayter, VP of Networking at CoreSite; Megan Ruskowski, VP of Marketing and Sales Development at CoreSite; and Preston Gilmore, Director of Data Center Operations at CoreSite’s Northern Virginia Campus.

During the three-day event, CoreSite will engage with attendees at Booth 405 in the Yotta Exhibit Hall at the MGM Grand located at 3799 S. Las Vegas Blvd. The iMasons Awards program will be held on September 9 from 7:30-9:30 p.m. PDT at the MGM Grand, where winners will be announced.

About CoreSite

CoreSite, an American Tower company (NYSE: AMT), is a leading interconnection data center platform that empowers businesses to future-proof their digital transformation initiatives. For more than 20 years, CoreSite's purpose-built, highly interconnected data center campuses and team of experts have delivered the cloud-enabled, resilient and flexible digital ecosystems required for customers to quickly scale and interoperate their businesses to support the increasing demands of critical workloads, like AI and high-density applications. For more information, visit [CoreSite.com](https://www.coresite.com) and follow CoreSite on our [Connect\[ED\]](#) blog, [LinkedIn](#) and [YouTube](#) channels.

Forward-Looking Statements

This press release contains statements about future events and expectations, or "forward-looking statements," all of which are inherently uncertain. We have based those forward-looking statements on management's current expectations and assumptions and not on historical facts. These forward-looking statements involve a number of risks and uncertainties. For important factors that may cause actual results to differ materially from those indicated in our forward-looking statements, we refer you to the information set forth under the caption "Risk Factors" in Item 1A of American Tower's most recent annual report on Form 10-K, and other risks described in documents American Tower subsequently files from time to time with the Securities and Exchange Commission. Neither we nor American Tower undertake any obligation to update the information contained in this press release to reflect subsequently occurring events or circumstances.
