## **Maile Kaiser of CoreSite Honored as a CRN® Channel Chief**

**DENVER** - (February 5, 2026) – [CoreSite](#), an American Tower company (NYSE: AMT) empowering critical business and AI workloads that impact everyday life through interconnected data center solutions, today announced that CRN®—a brand of The Channel Company—has selected Maile Kaiser, Chief Revenue Officer at CoreSite, for inclusion on the prestigious 2026 CRN® Channel Chiefs list. This annual recognition celebrates IT vendor and distribution executives who are shaping channel strategy and driving innovation and partnership across the industry.

Over the past year through Kaiser’s leadership, CoreSite strengthened and diversified its partner ecosystem by onboarding new service providers and technology alliances while developing new routes to market and aligning programs with evolving customer needs. In addition, a shift toward a more agile operating model successfully deepened CoreSite’s local partner engagement and drove more targeted collaboration. Expanded AI enablement helped the company to enhance technical training and resources while creating greater partner value.

The annual CRN Channel Chiefs list spotlights the most influential leaders across the IT channel, celebrating those who champion collaboration, drive innovation, and empower their partners and customers to achieve shared success.

“Leaders recognized as CRN Channel Chiefs this year have demonstrated unwavering commitment to their partners and the broader IT channel. Their vision, passion, and drive for innovation continue to shape the future of our industry. We are proud to celebrate their achievements and the positive impact they make every day,” said Jennifer Follett, Vice President, U.S. Content, and Executive Editor, CRN.

“I’m honored to receive this recognition, which reflects not only the strength of the world-class channel program CoreSite has built over more than two decades, but also the exceptional channel professionals who collaborate so closely with our partner ecosystem,” said Ms. Kaiser. “Our expansive partner ecosystem brings together leading cloud providers, solution partners, agents, brokers and resellers. Working as one team, we enable customers to solve complex IT infrastructure challenges and accelerate their business outcomes.”
