

CMC Networks Enhances Point of Presence in CoreSite New York Campus

May 12, 2015

Enabling CoreSite Customers with Connectivity to Africa and the Middle East

DENVER--(BUSINESS WIRE)--May 12, 2015-- [CoreSite Realty Corporation](#) (NYSE:COR), a premier provider of secure, reliable, high-performance data center solutions across the U.S., today announced that CMC Networks, a global telecommunications carrier serving the data communications needs of carriers and value-added resellers in 44 African and 12 Middle Eastern Countries, has extended the reach of its network into the U.S. through deploying in CoreSite's New York campus. The deployment was completed in 2014.

CMC's presence in CoreSite's New York campus is the only U.S. deployment for CMC and provides a seamless, direct interconnection point to CMC's 104 global PoPs throughout Africa and the Middle East.

"We are excited to meet the needs of our customers' demand for high-quality bandwidth, better service offerings and a range of access solutions into emerging markets," said Grant Walker, CEO, CMC Networks. "CoreSite's New York data center campus was a perfect fit for our growth and allows our customers the convenience of interconnecting seamlessly to our global points of presence."

CoreSite's [New York campus](#) includes two data center facilities – NY1, comprised of over 48,000 square feet of data center space in the heart of Manhattan, and NY2 with over 236,000 square feet of data center space in Secaucus, NJ. CoreSite's New York campus offers connectivity into other regional NY/NJ data centers and is served by key fiber networks that deliver connectivity across the region and around the world.

"CoreSite's New York campus has a rich customer ecosystem, comprised of a variety of enterprises and nearly 50 network and cloud customers," said Ben Green, VP of Sales, Network & Mobility at CoreSite. "We are pleased to have CMC deployed in our New York campus, as the deployment enables CoreSite to provide our customers with direct interconnections to Africa and the Middle East."

Forward-Looking Statements

This press release may contain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as "believes," "expects," "may," "will," "should," "seeks," "approximately," "intends," "plans," "pro forma," "estimates" or "anticipates" or the negative of these words and phrases or similar words or phrases that are predictions of or indicate future events or trends and that do not relate solely to historical matters. Forward-looking statements involve known and unknown risks, uncertainties, assumptions and contingencies, many of which are beyond CoreSite's control that may cause actual results to differ significantly from those expressed in any forward-looking statement. These risks include, without limitation: the geographic concentration of CoreSite's data centers in certain markets and any adverse developments in local economic conditions or the demand for data center space in these markets; fluctuations in interest rates and increased operating costs; difficulties in identifying properties to acquire and completing acquisitions; significant industry competition; CoreSite's failure to obtain necessary outside financing; CoreSite's failure to qualify or maintain its status as a REIT; financial market fluctuations; changes in real estate and zoning laws and increases in real property tax rates; and other factors affecting the real estate industry generally. All forward-looking statements reflect CoreSite's good faith beliefs, assumptions and expectations, but they are not guarantees of future performance. Furthermore, CoreSite disclaims any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, of new information, data or methods, future events or other changes. For a further discussion of these and other factors that could cause CoreSite's future results to differ materially from any forward-looking statements, see the section entitled "Risk Factors" in CoreSite's most recent annual report on Form 10-K, and other risks described in documents subsequently filed by CoreSite from time to time with the Securities and Exchange Commission.
