

Leading Asia Pacific Carrier, CITIC Telecom, Expands With CoreSite In New York

February 20, 2013

New Deployment in CoreSite's New York Data Center Campus to Benefit Both Companies' Customers

DENVER, Feb. 20, 2013 /PRNewswire/ -- CoreSite Realty Corporation (NYSE: COR), a premier provider of network-dense, cloud-enabled data centers and the CoreSite Mesh, today announced that CITIC Telecom International CPC Limited (CITIC Telecom CPC) has selected [CoreSite's New York City campus](#) for its east coast network deployment. CITIC Telecom CPC is one of the leading Information and Communications Technology (ICT) solution partners with multiple branches across the Asia Pacific region and a preferred partner of multinational corporations and business enterprises. This deployment will enable CITIC Telecom CPC to extend its service platform across North America and help it become a global carrier.

Today's announcement follows CITIC Telecom CPC's deployment at the [CoreSite Los Angeles \(One Wilshire\) campus](#) last year. With deployments on both the east and west coasts, CITIC Telecom CPC enhances North American service coverage and connectivity options for the company's new and existing customers in Asia, North America and Europe through a single provider. CoreSite customers on both coasts can now benefit from direct connections to CITIC Telecom CPC's solution offerings and service gateways to the Asia Pacific region.

"CITIC Telecom CPC is committed to providing service excellence for our customers," said Stephen Ho, CEO, CITIC Telecom CPC. "This expanded presence in CoreSite's data centers and our membership in the CoreSite Mesh community simplifies and enhances global connectivity for customers, while providing a reliable and scalable platform for our leading ICT solutions. Our relationship with CoreSite allows us to extend our coverage around the globe and grow our business."

"CoreSite is pleased to work with our valued community member CITIC International CPC to expand its presence across the CoreSite Mesh," said Jarrett Appleby, COO, CoreSite. "CITIC International CPC is a leading network service provider in the Asia Pacific region, and today's announcement opens up new opportunities for our customers to expand and grow globally—from our leading data center campuses, across the CoreSite Mesh and to CITIC International CPC's deployments across China, South Asia, Japan and Australia."

About CITIC Telecom CPC Limited

CITIC Telecom International CPC Limited ("CITIC Telecom CPC"), a wholly owned subsidiary of CITIC Telecom International Holdings Limited (SEHK:1883), is a trusted ICT solutions partner with multiple branches across the Asia Pacific region, and a preferred partner by multinational corporations and business enterprises.

Forward Looking Statements

This press release may contain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as "believes," "expects," "may," "will," "should," "seeks," "approximately," "intends," "plans," "pro forma," "estimates" or "anticipates" or the negative of these words and phrases or similar words or phrases that are predictions of or indicate future events or trends and that do not relate solely to historical matters. Forward-looking statements involve known and unknown risks, uncertainties, assumptions and contingencies, many of which are beyond CoreSite's control, that may cause actual results to differ significantly from those expressed in any forward-looking statement. These risks include, without limitation: the geographic concentration of CoreSite's data centers in certain markets and any adverse developments in local economic conditions or the demand for data center space in these markets; fluctuations in interest rates and increased operating costs; difficulties in identifying properties to acquire and completing acquisitions; significant industry competition; CoreSite's failure to obtain necessary outside financing; CoreSite's failure to qualify or maintain its status as a REIT; financial market fluctuations; changes in real estate and zoning laws and increases in real property tax rates; and other factors affecting the real estate industry generally. All forward-looking statements reflect CoreSite's good faith beliefs, assumptions and expectations, but they are not guarantees of future performance. Furthermore, CoreSite disclaims any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, of new information, data or methods, future events or other changes. For a further discussion of these and other factors that could cause CoreSite's future results to differ materially from any forward-looking statements, see the section entitled "Risk Factors" in CoreSite's most recent annual report on Form 10-K, and other risks described in documents subsequently filed by CoreSite from time to time with the Securities and Exchange Commission.
